

Housing Tank. Pinterest.

Each participant should create a folder with significant housing and high density city examples. If there is any significant information needed we should add it from books, magazines, etc. Each participant starts from existing significant examples of his or her country of all times. Implementation of categories. *Erase any examples from final categories that may not add valuable information.*

Dialectics.

Housing is not a perfect topic. It depends at least on local parameters, cultural factors and different scales of approach.

Choose a topic to be developed in housing and high density city.

Text 1. *1000 words with pictures, notations and quotes.* Thesis.

Text 2. *1000 words with pictures, notations and quotes.* Antithesis.

Text 3. *1000 words with pictures, notations and quotes.* Synthesis.
